

Research consent form

The students of the BizLab Academy HCD 1.01 course are conducting research as part of their training and to give them hands-on experience doing interviews and observations. The data gathered will be used to generate and test some initial ideas and prototypes for solutions to the following challenge areas:

- a) attitudes and experiences towards healthy eating
- b) attitudes and experiences with traffic congestion in the ACT.

A written record and/or photos will be made of the research session, and any personal information that is collected will be de-identified. The information and data gathered today will only be used for the purposes of this training and will not be used in any other context. Your information will be held in confidence and your details will not be revealed without your permission.

Your participation is voluntary and you are free to stop participating at any time. If you have any further questions you can contact us at bizlab@industry.gov.au

Please circle the option appropriate to your decision:
